UP TO 10X SPIFF

Team up with your Regional Sales Manager for Zultys Cloud Services (ZCS) SPIFFs in Q1 and Q2!

Terms & Conditions

This promotion is for the Zultys fully hosted cloud offering, only for all qualifying accounts ordered between January 25, 2024, and June 30, 2024. Restrictions may apply.

Monthly Recurring Revenue (MRR) does not include taxes, usage, install fees, or pass-through charges. When Zultys waives the install fee, the SPIFF is paid at 2 X MRR. Discounted deals do not qualify for this SPIFF. Demo accounts and Partner discount accounts do not qualify for this SPIFF. This promotion does not apply to add-on orders to existing accounts. Accounts must be at least \$100 in MRR with a 36-month contract or longer to qualify for this SPIFF. Zultys reserves the right to reclaim incentive payments if terms and conditions are not met, the order cancels, the MRR decreases, or early termination of services occurs. If repayment is not made within 30 days of cancellation, Zultys will hold future commissions until the amount of the SPIFF payment is collected. If payback is applicable, contact the company responsible for the payment of commissions.

This incentive cannot be combined with any other current channel incentives, SPIFFs, or promotions unless the other program explicitly says that it includes SPIFFs. Claim forms must be submitted within 60 days of the order activation.

Zultys has the right to modify, adjust, or terminate this promotion at any time without notice.
