

Internet Dedicated Value ENHANCED promotion

Wireline promotions

The Value ENHANCED promotion replaces the Value PLUS v2 promotion. There are two updates to the Value ENHANCED pricing when compared to the Value PLUS v2:

- 50M - slight price increase. Best price was \$477.47 - now \$500.40
- 5G - slight price decrease. Best price was \$2,099.00 - now \$2,058.18

3 Year Term - "Best Price" Value ENHANCED

Speed	50M	100M	500M	1G	5G	10G
Access Price	\$360.00	\$445.75	\$479.38	\$513.00	\$1,111.00	\$1,643.00
Internet Port Price	\$140.40	\$215.00	\$315.62	\$337.00	\$947.18	\$1,456.00
TOTAL	\$500.40	\$660.75	\$795.00	\$850.00	\$2,058.18	\$3,099.00

Best price = 36 month term, 48% floor discount on the Internet Ded Port, and 60% floor discount on the access. With Dynamic floor discounting, the quote may differ from the examples listed (i.e., the Floor price may be higher or lower).

Promotion details:

- Transactional contracts or right-to-buy (RTB) contracts
- Can stack with the following promotions: NaaS Quick Start promotions, 90 Day Guarantee for Service and for Contract promotions
- Access must be VzB, fXO or select VZT
