

# Bigleaf Networks Retail Pricing

Effective until December 31, 2024 • North America pricing only | Pricing is subject to change

For all of your business locations, including business offices, branch locations, warehouses, or your employees' homes, Bigleaf optimizes your internet performance so you can deliver a seamless cloud application experience across your sites.

Bigleaf is offered as a monthly service with pricing determined by the tier and speed package(s) selected. With your service agreement, you will get one free usable IP address and additional IP blocks are available for purchase. Volume discount pricing is available for 5 and more sites.

## RECOMMENDED

### ESSENTIAL

For organizations with teams working in business spaces, including offices, warehouses, datacenters, clinics, retail stores, etc.

- ✓ 1 Bigleaf router
- ✓ SLA-backed
- ✓ /30 IP block (upgradeable)
- ✓ 12, 24, and 36 month terms

75/75 Mbps	<b>\$159/mo</b>
150/150 Mbps	<b>\$229/mo</b>
300/300 Mbps	<b>\$349/mo</b>
500/500 Mbps	<b>\$549/mo</b>
1/1 Gbps	<b>\$749/mo</b>
2/2 Gbps	<b>\$1,049/mo</b>
3/3 Gbps	<b>\$1,485/mo</b>

### PREMIER

For organizations to increase their level of redundancy, these high availability options include 2 pre-configured routers that are bridged together for immediate failover should either fail for any reason.

- ✓ 2 redundant Bigleaf routers
- ✓ SLA-backed
- ✓ /29 IP block (upgradeable)
- ✓ 12, 24, and 36 month terms

75/75 Mbps	<b>\$309/mo</b>
150/150 Mbps	<b>\$379/mo</b>
300/300 Mbps	<b>\$499/mo</b>
500/500 Mbps	<b>\$699/mo</b>
1/1 Gbps	<b>\$899/mo</b>
2/2 Gbps	<b>\$1,199/mo</b>
3/3 Gbps	<b>\$1,635/mo</b>

### HOME OFFICE

For organizations with employees working in home offices, using residential-grade Internet connections.

- ✓ 1 Bigleaf router
- ✓ Includes one usable DHCP IPv4 address
- ✓ 12, 24, and 36 month terms

150/20 Mbps	<b>\$125/mo</b>
1 Gbps/100 Mbps	<b>\$249/mo</b>

# Volume discount pricing

Save up to **30%** with volume pricing when you provide reliable and resilient connectivity across your organization's sites.

	5-10	11-20	21-30	31-40	41-50	51+
<b>Volume Savings</b>	<b>5%</b>	<b>10%</b>	<b>12.5%</b>	<b>15%</b>	<b>20%</b>	<b>30%</b>

For example, when you select a Bigleaf Essential plan with one 1/1 Gbps for your central office and fifteen 300/300 Mbps plans for your branch locations, your estimated monthly total (without taxes) would be:

1 - 1/1 Gbps Essential Plan	\$749.00
15 - 300/300 Mbps Essential Plan	\$5235.00
Subtotal	\$5984.00
<b>Volume discount: 11-20 (10%)</b>	<b>(\$598.40)</b>
<b>Monthly total</b>	<b>\$5385.60</b>

# Static IPv4 addresses (Bigleaf hosted)

Each Essential and Premier service plan includes an IP block. You may upgrade to a different block and/or acquire additional ones for a monthly charge. Multiple or larger blocks are not available for Home Office plans.

CIDR	Price per month
/30	\$2
/29	\$15
/28	\$50
/27	\$100
/26	\$200
