Terms and Conditions: Rules and restrictions apply. Offer valid only on deals signed until March 31, 2025. Products sold only on our standard listed plans. Order must be on a thirty-six-month contract. Add-ons for existing customers are excluded from this promo. The SPIFF only applies to the monthly recurring charge and not to set up, equipment, or installation fee. The SPIFF will be paid in a lump sum sixty (60) days after the first bill is generated. The residual will start with the MRC of months seven, eight, or nine, depending on the SPIFF. The agent will be charged back 100% of commission and SPIFF if the customer will discontinue services within the first twelve months of activation.
