

# Trade-in Your Phones and Get \$25 Each!

Trade in your old Nortel,  
Mitel, Toshiba, Panasonic,  
Avaya or any old phone  
and receive

up to  
**\$25**  
per user\*!

RECYCLE  
YOUR OLD  
HARDWARE

If you're prepared to part ways with your  
Outdated Phone System, IPFone is here to assist.  
This is precisely why we've developed our very  
own **IPFone TRADE-IN PROGRAM**.

Here's the breakdown of the process:

1. Enroll for IPFone Voice (Webex, ProPBX, or EasyPBX) services and choose new Cisco, Poly, or Yealink IP phones.
2. Our on-site technician will set up your IPFone service.
3. We will apply a \$25 credit for each user (Webex, PRoPBX, or EasyPBX) contracted user on your account.
4. Experience hassle-free IPFone service without any maintenance costs.

**TERMS & CONDITIONS**

\$25 per user limited to the amount of Webex, ProPBX, and EasyPBX seats contracted. A 10 or more users minimum is needed. Agreement must be signed and submitted by March 31, 2025. 3yr agreement is required. New customers only. Credit per user will be applied on the first invoice. IPFone reserves the right to reclaim any promo credit if qualifying criteria is not met or if termination of services occurs. Offers may not be combined with other offers, discounts or promotions. Offers, terms, and restrictions are subject to change without notice.
