

## Unlock a Limited-Time Opportunity: 1X Spiff for 36-Month SD-WAN Solutions

Offer Valid Through April 2025

(This promotion cannot be combined with other NTEGRATED offers)

Partner with NTEGRATED today to take advantage of this **1X Spiff offer** and elevate your SD-WAN solutions. Let's work together to redefine excellence in connectivity and network management.

---

### Why Choose NTEGRATED for SD-WAN?

#### 1. Trusted Partner with Proven Results

- **Best-of-Breed Vendors:** Access to cutting-edge technology through partnerships with *Broadcom, Big Leaf, and Cato Networks*.
- **Dedicated Team:** Professional, customer-focused support every step of the way.
- **Customer-Centric Solutions:** Designed to align with your business goals.

#### 2. Expertise in SD-WAN Deployment

- **Deep Technical Knowledge:** Expert configuration and deployment for seamless connectivity and performance.
- **Customizable Solutions:** Tailored to enhance application performance, enable remote work, and optimize costs.

#### 3. Proactive Managed Services

- **24/7 Monitoring:** Detect and resolve issues before they impact operations.
- **Real-Time Troubleshooting:** Minimized downtime with expert support.
- **Ongoing Optimization:** Regular assessments ensure peak performance and adaptability.

#### 4. Reliable Network Performance

- **Improved Connectivity:** Efficient traffic routing across DIA, MPLS, Broadband, 5G, and Satellite.
- **Optimized Applications:** Prioritized critical apps for enhanced user experience.
- **Reduced Latency and Jitter:** Perfect for real-time communications like voice and video.

#### 5. Simplified Network Management

- **Centralized Control:** Single-pane-of-glass management for all network locations and policies.
- **Reduced IT Burden:** Allow IT teams to focus on strategic initiatives.

#### 6. Cost Efficiency

- **Optimized Bandwidth:** Reduce reliance on costly circuits with efficient traffic management.
- **Scalable Solutions:** Flexible pricing ensures you only pay for what you need.

#### 7. Future-Ready Solutions

- **Adaptable and Scalable:** Meet evolving business demands with ease.
- **Supports Digital Transformation:** Build a solid foundation for cloud-based applications and services.
