

2025 2X MRC New Client Energy Incentive

From December 1st, 2024, through June 30th, 2025, Technology Advisors earn 2X MRC on select Managed Network and Connectivity Services for new EnTelegent Solutions clients.

Managed Network Services

Eligible services include:

- **Managed Infrastructure** (Consultation, Design, Staging, Deployment, Management, NOCaaS, and Secure Web Portal)
- **SD-WAN** (Cisco Meraki, Fortinet, CATO, and Encompass SD-WAN)

Connectivity Services

Eligible services include:

- **DIA**
- **Fiber Internet** (AT&T Business Fiber®, Verizon Fios, Cox® DIA Lite)
- Wireless & Universal Connect II
- Broadband

Program Details

1. **Eligible Services for Incentive:** Managed Network Services – Infrastructure Management and SD-WAN; Connectivity – DIA, Broadband/Fiber; Wireless – LTE, 5G, Universal Connect II
2. **Program Duration:** December 1, 2024, to June 30, 2025.
3. **Submission Requirements:** Submit orders within the promotional period.
4. **Installation Timeline:** Request installation by August 30, 2025.
5. **Commission Payment:** Partners receive payments on EnTelegent's normal commission cycle, following the next available report after the End-User is invoiced for service(s).
6. **Eligibility:** This incentive applies exclusively to new EnTelegent customer orders; existing customers are ineligible.
7. **Service Term Requirement:** A 36-month service term is mandatory.
8. **Special Pricing Approval:** For incentive eligibility on End-User deals with special pricing, written approval is required. EnTelegent reserves the right to approve or decline inclusion on special priced deals.
9. **Charge back Policy:** Sales incentive payments may incur charge backs if End-Users disconnect within 12 months of activation.
