

# New Logos. Bigger Rewards. This April Only.

## Earn 30% – Special TSD Incentive for New Logos in April

eSentire is rewarding growth this spring. From April 1–30, 2025, close deals with new customers and earn an additional 10% incentive (10 points) on top of the standard referral commission. This is a TSD exclusive from eSentire that you can take advantage of as a valued member of our community.

Plus, Trusted Advisor sales representatives can also earn up to \$1,000 in rewards.

### What You Need to Know

- Incentive valid April 1-30, 2025
- Won deals with new logos only
- Earn an additional 10% (10 points) on the standard 20% referral commission
- TA sales reps eligible for up to \$1,000 in rewards
- Deal registration required

### Why eSentire

We're here to make selling security simple, fast, and help solve the cyber security challenges customers face. We hunt, investigate, and stop cyber threats BEFORE they disrupt business. With a Mean Time to Contain of 15 minutes, unrivaled in the industry, customers will be safe in the hands of eSentire.

- 24/7 SOC support for Security Event Monitoring
- 24/7 Threat Detection & Investigation
- 24/7 Complete Response and Threat Disruption
- Threat Response Unit providing Elite Threat Hunting & Original Research
- Complete attack surface coverage across network, endpoint, log, multi-cloud, and identity sources
- CrowdStrike, Microsoft, SentinelOne, AWS, Sumo Logic, Tenable and more

All deals must be registered through your TSD. TA sales representatives will receive rewards via eSentire's Rewards & Recognition platform, Postal.io. Submit sales representative name and email on the deal registration or to your Field Channel Manager to receive reward notification.

Terms & Conditions apply. Contact your TSD Channel Manager or eSentire Field Channel Manager for complete Terms & Conditions.

Don't miss your chance to boost earnings while expanding your eSentire customer base.
