

# Get ready to boost your Smartphone sales with Verizon's \$100 Smartphone Q2 Spiff!

## Verizon is offering an exciting incentive for Q2!

As long as you meet the eligibility requirements, we are offering an opportunity for Telarus advisors to earn an additional \$100 on every smartphone you sell.

**Timeframe: Q2 2025 - starting 4.1.25 - 6.30.25**

### Eligibility criteria:

- Must have 30+ Smartphone gross adds per Customer (ECPD ID) as a minimum threshold within Q2 2025.
  - Example: Sell 10 net new smartphone to a customer (ECPD ID) in April. The customer adds 15 more in May and 5 more in June. Cumulatively, all net new smartphones will qualify for the Q2 Spiff.
- Must not have an approved deal registration within the past 12 months.
- Must be on Device Payment
- Only Net new Smartphones are eligible - no Upgrades
- Business Markets customers only
- Global Enterprise customers are not eligible
- My Biz Plans are not eligible

### Customer must be on the following price plans:

- 67832 5G BUE 5G Pro
- 50256 2.0 BUE 2.0 Pro
- 52598 1.0 BUE 1.0 Pro
- 41354 1.0 BUE 1.0 Pro
