Earn a \$5k SPIFF when you sell over \$45k of cyber professional services to new Dataprise Clients in Q3

\$5k SPIFF

On Dataprise's Cyber Advisory Services listed in this document totaling \$45,000 in labor with minimum deal size of \$10,000.

Offer Expires: September 30, 2025

Terms & Conditions

This offer is valid through September 30, 2025 ("Incentive Period") for business closed won within said period. To the extent permitted by applicable law, Dataprise will pay Partner or your applicable Technology Solutions Broker a one-time bonus ("Cyber Sale Bonus") for Qualified Cybersecurity Advisory Professional Services Sales specified in this document ("Cyber Sale") of \$5,000. In order to qualify for this bonus, a Cyber Sale or Cyber Sales must be made during the Incentive Period and total greater than or equal to \$45,000, with each Cyber Sale being greater than or equal to \$10,000 of labor services (no product). The Cyber Sale(s) must be to a Client new to Dataprise who is purchasing for the first time from Dataprise. Bonuses will be subject to verification of eligibility, qualification, and compliance. Such verification, and the interpretation of these incentive Terms and Conditions are subject to Dataprise's sole discretion and Dataprise reserves all rights, including the right to alter or change this program for any reason and without prior notice. Participation in this program is voluntary. By participating in this program, Partners must agree to abide by any restrictions or obligations they may have regarding receipt of such bonuses and that it will not be in violation of any such restrictions or obligations."
