A current GoTo customer who is not currently purchasing GoTo Contact Center Complete or Customer Engagement would be considered a 'new' Contact Center customer. Minimum qualifying contract length for GTC products is 24 months unless otherwise specified. Additional product line sales to existing GoTo customers require a new lead to be submitted and accepted through Partner Exchange.
3. Free or discounted hardware (Yealink T34W and Poly E100 Handsets) are only eligible for new accounts with five or more total users/seats, a contract term length of 36 months or more, pricing at standard tiers, and DIDs sold at or above floor price. If current listed handsets are not available, a request for substitute handsets must be approved by GoTo Finance before contracts are accepted. Combined total of free handsets not to exceed 50. GoTo reserves the right to reduce the duration of the Promotion Period on no less than 14 calendar days' advance notice.
5. The seat quantities will not be calculated by adding the seat quantity of each product together. Sales of Contact Center Pro do not qualify or count towards multiplier calculations. The applicable incentive amount will be determined based on the product with the higher seat quantity.
