

Q4 - Q1 Partner SPIFF Program

Finish Strong, Start Fast!

SPIFF Eligibility Overview

We're thrilled to offer our SPIFF program designed to reward and energize our valued partners for driving sales and accelerating growth. This initiative is all about recognizing your efforts and giving you more opportunities to earn while promoting our MDR solution. To qualify for the SPIFF, deals must meet the following criteria:

- Must be registered at DealRegistration@cybermaxx.com
- Registered and closed between 10/01/25 to 03/31/26
- 500+ endpoints (workstations and servers)
- 3-year deal
- Only for MDR

What's In It For You?

- **YEAR 1: 1xMRR + 22%**
- **YEAR 2: 22%**
- **YEAR 3: 22%**

Is the client currently in a contract? Ask about our **Trade-Up program**. CyberMaxx has the ability to be flexible or delay billing for clients to complete their current MDR contract.*

About CyberMaxx

CyberMaxx is a leading MDR provider with a distinct focus on "Big R" RESPONSE. Our comprehensive suite of modern MDR solutions—bolstered by advanced offensive security services—delivers real-time threat mitigation powered by deep human expertise. MaxxMDR is offered in three tiers: 1) Core: EDR or Cloud Email, 2) Advanced: EDR + Cloud Email or 3) Elite: Full Telemetry.

Why CyberMaxx?

- Tech Enabled vs. Product Led
- "Big R" Response - Focused vs Alert Forwarding Service
- Native + Novel Custom Detections
- Proactive + Reactive Security Management
- Customer Service Lifecycle Strategy
- Volume Purchase Power
- Channel First Approach

Where We Win

- Regulated Industries: Healthcare, Finance, Critical Infrastructure, Technology, SLED
- Mid-Market – Lower Large Enterprise Organizations; ability to scale up or down
- 500-5000 Endpoints

*Restrictions apply - Please review full details and terms of Trade-Up program.
