- Transition your POTS lines to Fusion Connect – then migrate to our digital solution over time.

*Several carriers, especially AT&T, have announced their intention to no longer allow the transfer of existing POTS lines. If customers are unable to transfer their lines to Fusion Connect at the start of their POTS migration project. In that case, Fusion Connect will directly convert those lines to the POTS Replacement Solution. Promotion ends December 31, 2025. See www.fusionconnect.com for full terms and conditions.
