5G

Canada's largest
holder of mmWave

With flexible options with speeds of up to 300 Mbps download and 50 Mbps upload, you get the performance your business needs to stay competitive — without the wait or complexity of traditional fiber builds.

	Download Speed	Upload Speed	Starting
Package	(Mbps)	(Mbps)	from
50/10 Mbps	35 - 50	7-10	\$88
100/20 Mbps	70-100	14-20	\$106
200/20 Mbps	140-200	14-20	\$131
300/50 Mbps	210-300	35-50	\$163
50/50 Mbps	35-50	35-50	\$138
100/100 Mbps	70-100	70-100	\$175

- ✓ **Faster Deployment** - Get connected in days, not months.
- ✓ **Built for Business** - Includes static IPs and scalable speeds to match your needs.
- ✓ **24/7 Expert Support** - Round-the-clock assistance to keep your business online.
- ✓ **Competitive Pricing** - High performance at a price that makes sense.
